

# ORDER FORM

Make your Build-A-Kit selections from the following choices:

- Under the "Choose 1" headings, select one bold item by checking the box below it and entering your choice of pottery/fabric/stain code (where applicable).
- Under the "Choose 2" headings, select two bold items and enter your choice of pottery/fabric/stain code (where applicable).

• NOTE: Under the "Choose 2" headings, you must select two different bold products. Please do not select two of the same item, or two of the same item with different pottery/fabric/stain codes.

Refer to the Shopping Assistant when choosing pottery/fabric/stain codes. Your sponsor or our Customer Satisfaction Department (740-322-7800) will be happy to assist with any questions.

## Before submitting this Build-A-Kit order form

with your Home Consultant Agreement, please answer the following questions.

1. Did you select a total of 10 different items?
2. Did you write-in the pottery/fabric/stain code selection for each item that requires one?
