

January Conference Call: Responsible Sponsoring

Learn how to get your new team members off to a strong and successful start! Sales Training is offering a virtual training opportunity (conference call), which will offer key actionable items plus messages to inspire you with new ideas for your business. Here's how it works; you dial in, listen, collect ideas, write down your action items and implement the message you just heard. It's that easy!

How to listen to the conference calls:

1. Dial 308-377-8215
2. Enter PIN 4191 then press #
3. Press *3 on your phone to activate playback
4. When prompted for the file number, enter 011405 and Press #
5. Press 1 to start the conference call
6. You will be given the option to select the number of minutes you would like to fast forward to, or press # to start playback from the beginning of the call (recommended).
7. Hang up when finished

Note: To stop playback press *3
